

Thursday 16 July, 2020

Dear Families,

**Urgent information regarding visitation to our homes**

As announced by the NSW Government several COVID-19 case locations have been declared within NSW. Our priority continues to be keeping COVID-19 out of our homes, as we protect the health and wellbeing of all residents and staff.

**Effective as of Tuesday 14 July, our homes in both NSW and the ACT are denying entry to any visitors (including families and staff) who have been to the COVID-19 case locations as outlined by NSW Health. These case locations can be accessed via our website: [www.baptistcare.org.au/covid-hotspots](http://www.baptistcare.org.au/covid-hotspots)**

If you have any questions or require further clarity, please speak directly with the Residential Manager.

COVID-19 remains a significant threat to the vulnerable resident population in all aged care homes. We are asking you to remain vigilant, and please do not visit our homes if you are feeling unwell. We continue to thank you for your support as we do all we can to minimise the risk of COVID-19 entering our homes.

Please stay safe and well.

**Ross Low**

Chief Executive Officer
