

More Than Skin Deep Resource Order Form

BaptistCare HopeStreet

HopeStreet has been active in providing counselling and group programs for individuals and families affected by domestic and family violence for over 30 years. Women and children impacted by domestic and family violence have said, 'we want our stories to be told' and 'we want to stop this happening to others'.

The 'More Than Skin Deep' (formerly known as 'Not in my House') DVD vignettes and training manual were developed as a resource for educators involved in training workers to respond to domestic and family violence and for use in men's behavioural change programs.

DVD - \$10.00

The 'More Than Skin Deep' DVD depicts seven powerful and evocative stories drawn from Australian families impacted by domestic and family violence.

Manual - \$25.00

The 'More Than Skin Deep' training manual is a resource for skilled trainers and group facilitators to explore the dynamics of domestic and family violence and its impact on women and children. Professionals with extensive experience in the field of domestic violence are invited to utilise this resource for practitioner training and in men's behaviour change group work.

This project was developed with funding through the NSW Department of Family and Community Services, Policy and Strategy Office for Women's Policy, Violence Prevention Coordination Unit.
