Dear Residents, Family Members, and Carers,

Unfortunately, we have made the difficult decision to cancel our Christmas lunches for visitors in some of our homes. This decision will affect the following homes:

- Shalom Centre
- Cooinda Court
- Dorothy Henderson Lodge
- Warena Centre
- Morven Gardens
- Gracewood Centre
- Aminya Centre
- Orana Centre
- Bethshan Gardens

We know this is upsetting for both you and your loved ones. We are also disappointed that we've had to make this decision, as we were looking forward to welcoming visitors into each home for Christmas. Please be assured we have only made this decision for the safety and wellbeing of the residents and staff in each home.

The Christmas lunches for residents will go ahead as planned, provided we can offer them in a socially distanced and safe manner.

We hope you have a safe and joyful Christmas, and we hope to welcome you back to the home in the new year when the situation with rising case numbers is clearer.

Sincerely,

Allan Waters
