BaptistCare Services in Wagga

BaptistCare is a leading not-for-profit care organisation providing aged care and community services in the Wagga region for more than 40 years.

We are committed and invested in the Wagga region, and we have been since 1979. The Grange will be the second retirement village BaptistCare owns and operates in the Riverina region alongside BaptistCare Watermark Village in Murrumbidgee. The Grange will join our other ten villages across NSW and the ACT.
